## at least 5 sentences:

10

## Read the text and answer the question 5,6 and 7

It was summer. The day was very hot. A crow became very thirsty. It flew here and there in quest of water. But it did not find water any where. At last it saw a jar. It flew down to it. But the water was at the bottom of the jar. So it could not drink water. It tried to overturn the jar, but failed. At last it saw some pebbles near the jar. It picked up the pebbles one and dropped them into the jar. The water of the jar was up the crow drank water and flew away.
